

Dear Sir June 2nd 1820

As the President and Directors
of the Baltimore and Havre de Grace
Turnpike Road company appear to
be desirous to have your Excellency's
permission to erect Turnpike gates on
said Road as soon as possible.
I have thought it best to make
a license and send it to you
if you see no objection to its
being you can if you please sign
and have it put in the Post
under cover to Mr Harris - It
will have afforded Mrs Pinkney
& myself much pleasure to
have spent a day or two with
you on our return from St Marys
it had been in our power to do
the carriage that brought us up
under an engagement to take
a carriage to Frederick and we did not
wish to disappoint her. Mrs
Pinkney desires to be particularly
remembered to Mrs Sprigg.
Yours
Geo. Y. Lane Sprigg
