June 20 1820

My Dear Sir

The office of Register of the Land office for the Eastern Shore has become vacant by the death of Mr Charles Gibson the late incumbent - on a consultation with Mr Stephen it is thought that there should be an earlier meeting of the Council than the 1<sup>st</sup> Thursday in July - Thursday the 12<sup>th</sup> day of July has therefore been fixed on

I am with great respect & esteem

Your obedient servant

The Honble

James Dutcher
