

July 17. 1820

Dear Sir

I have taken the liberty of enclosing
you the commutation in the case of Negro Toney
with the form of a Bond to be executed
the person to whom the Sheriff may deliver
Toney - should I have omitted to do any
thing for the security of the State (that the
law requires) I must ask the favour of you
to supply it - a conveyance may be met
with at Baltimore

Yours respectfully
Vincian Pennington

Wm. Bond
