Council Chamber, Annapolis, May 9 1825

Sir, Upon full consideration of your late communication to the Executive I have determined to restore the officers under your command to the roll in the same state they stood previous to being struck off, it appearing that although they were not reported in exact conformity to the Law, that the report made by you was accepted by the Adjutant General as a new commission, and deemed necessary. They were not under the old.

I have the pleasure of enclosing you new commissions for Captain Bayan's Rifle Company, attaching them to your command which when you receive please hand the ones erroneously attaching them to the 11th Regiment destroyed.

Colo. Thomas Woodford.

Very respectfully your Obedt Servt
