

Military appointments

Council Chamber, Annapolis June 8 1825
Sir, Yours of the 17th ult. was duly received and submitted to the Council in Council. The appointments were not made in answer of yours having not in several instances to us in for the old officers and designate the companies &c.

It is indispensable to enable us to keep a regular record that in every new appointment the old officer be accounted for and the names of Captains for whose companies Lieutenants and Ensigns were wanted to be stated. I presume these appointments will be made at the next meeting in case you make the necessary explanation by that time.

By a recent order of His Excellency the Governor all communications upon the subject of the militia are required to be made to the Adjutant General.

Yours truly
Geo. Thomas Fillingim
Calvert County.

Very respectfully
your obedient servant

Council Chamber, Annapolis June 9 1825
Sir, Yours of the 16th ult. came duly to hand and was submitted to the Council by His Excellency. The appointments you therein were made in answer of your petition to assume for the officers in lieu of whom your recommendations were made.

It is necessary in making recommendations always to state in whose place each person is recommended, and what has become of the person whose place is to be supplied - whether dead, removed, resigned, and to give the names of the Captains for whose companies Lieuts and Ensigns are recommended. When this information is given I presume there will be no difficulty in getting the appointments you wish at the next meeting of the Council.

Yours truly
Geo. George Plant
The Kent County.

Respectfully your obedt. servt.

Council Chamber, Annapolis June 10 1825
Sir, The Adjutant General has handed to this Department your letter to him of the 20th ult. By referring to his returns it appears that you had neglected to report yourself agreeably to the requisition of the 12th section of the Supplement to the Militia Law passed on the 25 day of February 1824 and consequently your name has been stricken from the rolls.

Yours truly
Geo. Henry Parick
This County.
