Sir, I have the pleasure of enclosing you the annexes which you desire by your letter of the 11th inst. You mention that you have many vacancies to fill in your Regiment by Officers desiring to accept in consequence of receiving their commissions at such late periods after making applications for them. I beg leave to assure you that so far as may depend upon me your applications shall be promptly attended to and commissions forwarded as soon after appointment as may be made as possible. Having got my family moved and settled my attention will be regularly devoted to the business of my office. I do not know what caused the delay here in answering your applications for commissions, but am quite sure it did not proceed from any want of disposition on the part of any one concerned to gratify your wishes.

With great respect, I remain
your Obedt Servt

Col. Williams & Miller
Queen Anne County.
