

Council Chamber

Annapolis, Oct 6 1825.

Sir,

The gentleman whom you named as officer of a uniform company will be appointed at the first meeting of the Council after you shall certify that they have the number of men required by law, in uniform. The gentleman named as Lieutenant was here a few days past and mentioned that if the company could be furnished with a few dollars they would make a petition for arms but as the State could not furnish the arms he concluded to return the application for the uniform company.

Very respectfully,  
I remain your Obedt Servt.  
Thos. Culbreth Clerk

Wm. Smith  
Clerk of the Court

Council Chamber

Annapolis, Oct 31 1825.

Sir,

A petition from David Mackin presented to His Excellency the Governor by Joseph H. Bell who represents himself to be confined in the jail of Anne Arundel County under a conviction for robbing a berry bank and having committed the robbery of His Excellency by your self and David Habel. The Governor has determined to grant his petition and release him from imprisonment but no transcript of the Record accompanied his petition and neither the Record nor the judgment of the Court are so described in the petition as to enable me to make out his release in proper legal form. I know of no course and suspect that to preserve your honor in these circumstances. His pardon will be forwarded to the Court, if the Court immediately upon a transcript from the Record being furnished.

I have the honor to be,  
with great respect  
your Obedt Servt.  
Thos. Culbreth Clerk
