Dear Sir,

Your letter of the 7th ultimo detailing the arrangements of the Extra Battalion in Baltimore County - was duly received and noted at the interesting of the Council. I ordered you have a Warrant Commission for Benjamin Gorsuch Senior Captain of all those named, and Commissions for Captain William Gosnel and other officers of his company. The Law does not authorise the appointment of a Lieutenant Colonel for an Extra Battalion.

Do Ought not the Company officers who now hold Commissions in the 15 and 28th Regiments, and who arranged the Extra Battalion, to have new Commissions attached by them to the Battalion?

I am respectfully yours &c
Jno. Culbreth
