Philadelphia June 19 1826

Sir,

The Treasurer of the Treasury has prepared and will
forward to you by the mail tomorrow a statement of the claims of
the State for interest on the money borrowed and expended for the
benefit of the United States during the late War with Great Britain.

Being instructed by the Executive to attend to the liquidation
of this claim and expecting to be in Washington early next week (though
not purposely on the business) I shall be obliged if you can make it
convenient in the mean time to give the Treasurer's statement an
examination. I shall bring to the Senate which he mentions, and
such other documents as appear necessary to support the claim.

Peter Hagner Esq
S. P. Auditor,
Washington.

With great respect I remain
your ob. serv.
