I have no doubt but that I shall be authorized to make out a Commission, when a Transcript from the Record shall be furnished, as I take it for granted that His Excellency was apprized of Soley's conviction, and that it was a Commission he intended to grant him.

Sir,

I had your order a commission for Jacob Frier as second Lieutenant of Captain Perrin's Rifle Company.

I have turned to the Record and find that John Harman is the name there entered. The present Executive cannot correct the error in any other way than by giving Captain Harman a new commission with his proper Christian name. A Commission of the same date as the old one cannot be made, as the present Governor was ^{then} not filling that office.

The matter can remain as it is, or if proper, a new commission will be granted to Captain Harman, upon application for that purpose.

To Jacob Frier.
Frederick.

I remain my respectfully
