

Small Chamber
August 3rd 1836

At 10 o'clock I was informed by the
messengers that the British
had been seen at the mouth of the
river. I immediately ordered
the boats to be put in motion
and proceeded down the river
with all the force at my disposal.

On reaching the mouth of the
river I found the British
had been seen at the mouth of the
river. I immediately ordered
the boats to be put in motion
and proceeded down the river
with all the force at my disposal.

The British were seen at the
mouth of the river. I immediately
ordered the boats to be put in
motion and proceeded down the
river with all the force at my
disposal.
