Dear Sir,

Council Chamber
Annapolis, June 2nd 1827.

In reply to yours of the 31st ultimo, I have to inform you that the petition of William H. Gaither was laid before the Governor and Council at their last meeting, but that they did not remit the fine imposed upon him. I presume they did not consider the evidence accompanying the petition as sufficient to remove the impositions which the law imposes. The fine is calculated to produce that the case was an aggravated one. This however, I state, from a view of the papers without recollecting what was said of the case by any of the Executive.

Edward G. Hughes Esq
Rockville.

Remain very respectfully
Yours Obedt Serv.
