\* Resolution of December Session 1827 no 75

Council Chamber  
Annapolis, March 17 1828.

Sir,

Your letter of the 12th Instant to the Executive of Maryland, has been received. In reply thereto I beg leave to state that the letter which you copy as having received from this office dated the 10th Instant, was written by me, and from your copy of it, I presumed in the hurry of business I committed the awkward mistake of signing to it your name instead of my own. I have examined the files of this office and find a letter from you, dated the 15th day of December, and also a letter from the Secretary of the State of Missouri, dated the 15th day of September, and received here the 26th day of October both of which letters state that a map of Missouri, Illinois and Arkansas, by Brown & Barcroft, is forwarded for the Executive of Maryland. The map which as is described has been received, and which I entertain no doubt but that it is, the one forwarded by you as you state in your letter that you forward the map by direction of the Executive of Missouri.

Respectfully  
Yours ob. serv.  
H. Calbreth Clerk  
of the Council

W. Robert T. Brown  
Philadelphia.
