Gentlemen

Council Chamber
Annapolis, Sept. 24th 1828.

By direction of His Excellency the Governor I send you herewith a commission of general Auctioneer in the City of Baltimore. His Excellency considers you as having been appointed in May last, together with several others named upon a list furnished by the Register of the City of Baltimore as persons then in commission under the authority of the City. Wm. Bury named is not mentioned as one of the firm as that list. I have not thought myself at liberty to insert it in the commission. It is however of no consequence if the Law provides for your designating to the Register the names of the several partners of the firm, which I find you have done.

Wm. S. O'Keefe
Auctioneer, Baltimore
