Gentlemen

Town Chamber
Annapolis May 4th 1829

Should you have a draft upon the Treasurer of the
Western Shore for twenty three dollars fifty cents which will pay the
balance due from the State for the land for the Richmond inquiry
up to the 30th day of July next.

In the account rendered you omitted the credit of
a payment of ten dollars for which a draft was sent you in June
1828 and paid at the Treasury in July of the same year. That
amount was deducted from your account and \$2.50 added for
your subscription to the July number by direction of the Executive
you are requested to discontinue their subscription to the paper.

Wm. Ritchie & Co.
Richmond Virginia

Very respectfully
your Ob. Serv.
