Sir,

Council Chamber
Annapolis June 18th 1829.

The Executive at their late meeting did not make the appointment
required by your letter of the 6th inst. They were not in possession
of the resignation of Captain Albert Prior, the resignation being by your letter
appreciated that he had resigned. The commanding Officer of the Battalion
Major Anson, is the proper person to give information of resignations
and to make recommendations to fill vacancies in his command.
The Executive will be in session again in July by which time a
recommendation from all Major Anson, it is presumed, can be procured.

John B. Ford Esq.
Dublin, Charles County.

Very respectfully
your Obedt Servt
H. Culbreth
