

named in said Resolution by which you will perceive that the Commission
desire to obtain the services of an Engineer from the United States Army to aid
them in the performance of the duty assigned on them by the General Assembly.
The Report states, as fully and minutely, the objects and purposes
of the Commission and the way in which it is proposed to make, and to carry out,
their important work. I deem it unnecessary to add any thing to the views
of the matter which it presents. But in compliance with the request of
the Commission, beg leave most respectfully to solicit your recollection to
cause a competent and skilful Engineer to be detached from the United
States Army to aid them in making the said examination and survey.

I have the honor to be with
the highest consideration

Gentlemen,

I have received yours of the 18th inst. and
noted its contents. I quoted the amount of Interest due you on \$19,200
of Stock of S. A. Co. from the 20th April to the 31st June inclusive,
\$189.33 being for 73 months and eleven days. Your draft in favour of P. M.
Lawrence against the same amount, whenever it shall be the amount I have
stated will be paid.

I do not deem it necessary for you to send power of Attorney
to transfer stock when your said certificate, to be exchanged and cancelled,
your endorsement on the certificate, will be sufficient.
