

Council Chamber  
Annapolis March 23<sup>d</sup> 1831.

Dear Sir,

I returned from the Eastern Shore yesterday and found your letter of the 14<sup>th</sup> at last received in my absence. I believe I informed you that I could not make up the Commission for Commissioners of Calvert County when I was in time they would be the Land's Office to the proper designation. It was to leave on the Eastern Shore longer than I expected, but your letter was not received in time for the Commission by the last mail, or it would have been filled up and sent to Mr. Thompson. I have made it out and shall have it submitted to the Secretary of the Council by the next mail, at Annapolis. I will do my best to expedite it in time.

Remain very respectfully  
Yours Obedient

Dear Sir,

Your letter of the 17<sup>th</sup> inst. arrived here in my absence on the Eastern Shore and what I had for the removal of my family.

I have taken the earliest moment since my return to comply with your request and herewith send you several copies of the petitions filed in my office. Many of the names are not written that I have but little influence in the judgment I formed, as to what was intended, I could only say that I endeavored to give them correctly.

I am very respectfully  
Yours Obedient
