Dear Sir,

I have been called upon for a copy of the returns of the late Gaugay and Inspector of Prisons with the law requiring the semi-annual returns of the revenue and I have made a very thorough examination of the files. The officers who were having matters now pending the the Gaugay of the year. It returns might have been made since my return to the office but have not been included that, probably some of you were absent and they were required by law. I take the liberty of offering to suggest that you would be well to make the returns as the law and the obligation of you could require, and to communicate with the Straits Gaugay upon the subject.
