

Gentlemen

Comtee Chamber
Annapolis, April 20th 1831.

I yesterday received your petition to the Governor and Council for the remission of a fine, which you allege has been imposed by Charles County Court upon Peter Eaton for an assault and battery, and that you have been entered by the Clerk, without your knowledge or consent, as security for the said fine.

You neglected to send with your petition a transcript from the Record, without which the Executive cannot properly act upon the case. You can forward the transcript, probably, in time for the next meeting of the Executive, which will be held the 5th of next month.

Executive Department
Annapolis, May 5th 1831.

To the Honorable
Mr. L. Eaton
Secretary of War

Sir, I have received your communication of the 26th ultimo, in which you state that, in compliance with the wishes of the Legislature of that State, as expressed in certain Resolutions transmitted by you to the President last Winter, the Chief Engineer, has been instructed to assign a Civil Engineer with an assistant, to the duty of making a survey along the New Coast between Chesapeake and Delaware Bays, with the view expressed in those Resolutions, but that you deem it necessary, however, to inform me, that should the survey be made the expenses of it will have to be defrayed by the State of Maryland, as the salaries of the above mentioned Engineer and assistant can be drawn from the appropriation for surveys in aid of "the objects" to which your communication refers, a reply was received from the President of the United States, conveying a report by your Hon. in relation to the application referred to in which you state that you could not regard the improvement suggested in
