Sir,

Council Chamber  
Amherst, May 12th 1831.

I have the pleasure of handing you herewith a Volle Prognie  
which has been granted by His Excellency the Governor, upon the petition  
which was received from you on the 9th Instant.

Wm B. Brooks Esq  
Upper Harborough.

Very respectfully  
Yours &c  
H. C. Cutbert

Dear Sir,

Council Chamber  
Amherst, May 16th 1831.

The accompanying papers have been received here since I  
last addressed you, with the exception of the return of the doap and dumb  
for Leeds County, which was received in January last. The doap and dumb  
has heretofore, been sent from Leeds. There are now seventeen from this State  
to the Pennsylvania institution, besides another which has been selected,  
which it seems has not yet been sent.

I duly received your two letters of the 11th Instant, and imme-  
diately forwarded the pardon and Volle Prognie, agreeably to your  
directions.

With respect to the sword for Captain Rogers, I felt quite  
embarrassed, in writing to the artist for want of a more precise understand-  
ing of what directions to give him. But as there will be time enough before  
the sword will be ready for ornamenting, to give such specific directions as  
you may <sup>deem</sup> proper, I am sending Mr. Fletcher the letter of which I enclose  
you a copy, and but it is sealed to Doctor Ray. I have not seen the  
Doctor since you left there.

I remain your truly  
Sincerely  
H. C. Cutbert

His Excellency  
Daniel Martin  
Judge  
Tabor County.
