Executive Department  
Annapolis, Aug 25<sup>th</sup> 1832

I beg leave to call your attention  
to a communication from the Department upon the subject of the obstructions  
in the Susquehanna River.

The communication alluded to was made during the  
Session of your Legislature, & was authorized under a joint Resolution  
of that body; a copy of which I had the honor to inclose to your  
Excellency.

With great respects  
Yours Obedt Servt  
Geo. Howard

Dear Sir,

Council Chamber  
Annapolis, August 3<sup>rd</sup> 1832.

I have got the enclosed commissions, in lieu of those  
issued to the same Gentlemen, at the time of their appointment.

As the commissions now sent could not bear the same date  
as the others in consequence of the change of Governor I have annexed  
a note showing the dates of the appointments, which, with our  
Record entries will, I presume, save the claims which the parties  
may hereafter have to promotion.

The Staff Office of the Regiment are all vacant.  
William Gist who has removed to Baltimore was adjutant, Charles  
Plymou was Quarter Master and Doct. Parson Taylor was  
Surgeon's mate. There has not been either paymaster or Surgeon since  
the striking off of reports in the winter of 1824.

Col Thomas Emory  
Poplar Grove near  
Centerville

I remain truly yours  
H. Gillett
