

The Legislature of Kentucky, respecting ~~Resolved~~ Lands, was transmitted to this Department by your Excellency, and was communicated to the General Assembly of this State by Governor Sprigg, together with other Documents, on the 9th Instant has by some accident been mislaid. The Governor's Message with the Documents are now in the hands of the Printer and will on account of their being voluminous take him some time to print them from an anxious desire that the Resolutions adopted by the respective Legislatures of the several States on this important subject should appear whole and entire I have taken the liberty of respectfully asking that you will be pleased to cause another copy to be forwarded under cover to me with as little delay as your convenience will permit.

His Excellency

The Governor of Kentucky -

Yours Respectfully

Miriam Pinkney
