To His Excellency  
E. Louis Lowe,  
Governor of Maryland  
Sir,

I think I recognize in the movement of the Maryland Convention in relation to the Mitchell requisition to the Gov. your interest for Messrs Alberti & Price. Rest assured, that in this concerning matter you are right, and that good will come of this action. The action of the Convention that I said in my former letter is true, literally true, of Mr. Combs without excuse or reservation, and may be freely used by you in the case upon my responsibility. I have never ceased agitating this matter, of Mitchell and never will, until my clients receive justice. In this cause I am happy to say that I have enlisted the Cooperation of some of our first men. I feel so earnestly in this matter, that I catch at every hope. Indeed I am ready to make any sacrifice to be the means of rescuing a gray haired victim of judicial caprice and cruelty from Prison. In conclusion, let me thank you for your kind favor of March 24 / 51.

I have the honor to be, Your Obedt Servt
