Washington, June 2^d 1852

Hon. J. To His Excellency
 E. Louis Lowe,
 Governor of Maryland.

Hon. J. Cooper of
 Pennsylvania
 acknowledging
 my receipt
 for \$1000
 for profes-
 sional services
 as for the
 State of
 Maryland
 in the case
 of the
 Treason
 of 1851.

Dr. Sir:

I acknowledge the receipt of your Order for \$1000 as compensation for professional services rendered in the case of the U. States vs. Castro & Hanaway, indicted for Treason in the Circuit Court of the U. States for the Eastern District of Pennsylvania.

For the flattering terms in which you have been pleased to notice my services in this case, as well as for their substantial recognition contained in the Order you have sent me, accept my thanks, which I cordially tender to your Excellency. And while I neither overlook nor disregard the pecuniary compensation, permit me to assure you, that the expression of your satisfaction at the manner in which my duties were performed, is far more acceptable and gratifying.

When I embarked in the cause, it was with no view to pecuniary compensation, but to prove to our brethren of the State, over which you so worthily preside, that some at least, of the Citizens of Pennsylvania were disposed to see the laws faithfully executed, and outrages upon them punished. To learn then from your Excellency, that you are satisfied with the manner in which I discharged my duties, will always be a source at once of pride and gratification.

With sentiments of great respect I am your Excellency's
 Obedt. Servt. & friend.

James Cooper
