

Executive Department
Annapolis July 1st 1853

To Casper Neantz, Esq.

Sir:

The Governor has received from the Circuit Court for Frederick County an official certificate of the fact that you have not filed a bond as Sheriff of Frederick County, since the 1st day of November 1851. You will find by reference to the twentieth section of Article IV. of the Constitution, that you are required to file a bond with security each year. Your non-compliance with that requirement has vacated your Commission, and the Governor is required by the Article aforesaid, to commission the other chosen as Sheriff at the time of your election, who from the returns in this Department appears to be William B. Martin.

The Governor wishes to give you an opportunity to be heard, although his cause is marked by the Constitution. You are therefore requested to make a statement to this Department of the circumstances under which you committed the default.

Very Respectfully

Yours Ob. Servt.

Tho: H. O'Neal

Secretary of State

Rev'd Thos. Foley -

Reverend Sir:

Having rejected the recommendation of the Jury in Connor's Case, for reasons which it is not necessary now to set forth, and having refused a commutation of his sentence upon an examination of the merits of the Case itself & had considered the matter closed, I have been advised to-day however, that testimony not produced at the trial, and discovered since that time, can be obtained, which may have an important bearing upon my decision. Of course, I can know nothing about that. Nevertheless, I have felt it to be my duty to grant Connor a reprieve of two weeks, in order that his friends may have a full opportunity to present the Case in the most favorable aspect.

As his religion advises you cannot fail to appreciate the necessity of not permitting him to be led away
