

to report to me and I will tell him where to go." This seems to be according to Military etiquette, of which I know nothing and I suppose you know but little more; But it seems to me reasonable as the appointment came from your office the order to him to report to the Chief of this Military District should, if it did not accompany the Commission be at least made now

Do me the favor therefore to send a short order to me directing Col. Saml. W. Crover Lieut. Colonel of the 3rd. Maryland Regt. to report to Major General John E. Wool for orders.

It seems strange that a man should have a Commission and yet be unable to use it for want of orders to do so.

Hon. Augustus W. Bradford
Governor of Maryland

Dear Sir:

I take the liberty of endorsing to you an order from Major Genl. Wool Comdg. and one from Hon. Wm. Price, indorsed by the U.S. Marshal & Navy officer of this port, asking that you may grant the order that the Genl. desires, which is customary, In regard to the man acting in my place, Mr. Sudeburg, he is a Com: Capt. of Co K. in the 2nd. Regt. and his Co is still without a Capt. which Co is a German one, as well as he himself, and as I think it would be no more than justice to all to place him to the comd. of his Co. and thereby I very respectfully may be assigned to my post where I justly belong. Hoping that you may give my cause a favourable consideration, and grant that the order be given, Hoping that Mr. Price may have the pleasure of hearing from you by return mail.

I am very Respy.
Your obt. Servt.

S. W. Crover
