Advances have been made to the undernamed, to the amount of 27,154 34, for the objects specified; and, although these sums have not been finally accounted for, it is believed that nearly the whole has been expended.

†To	Clement Cox, Acquisition of lands	400 00
	W. M. C. Fairfax, Engineer Department	300 00
	N. S. Roberts, Western Section of the Canal	1,000 00
	Richard Rush, Purchase of articles in London, principally for the Engineer Department	150 00
	*Clement Smith, Acquisition of lands	20,000 00
	†Walter Smith, Construction of the Canal, for the purchase of Roman cement	2,500 00
	Andrew Stewart, Western Section of the Canal, for the acquisition of land	185 00
	†Benjamin Wright, Engineer Department	1,800 00
	William Apsey, Paid him on account of the erection of a saw-mill, which will ultimately be charged to construction of canal	819 34
		27,154 34

It will appear by the foregoing statement, that the sum of 9,945 95 has been received since August last, for tolls on the works acquired from the late Potomac Company. A sum equivalent to the interest of the amount expended on the canal to the present date. Upon examining the bank books, the committee have ascertained that this sum has been deposited, from time to time, in the

† Since accounted for.

* Of this sum of 20,000, 19,243 22 has since been accounted for.
