

of the officers of this company, marked A, B, C, and to the fourth annual report, a copy of which is also transmitted. Much valuable information on the subject of rail roads, is already before the committee in a report of the Chief Engineer of this company, in reply to a special enquiry heretofore made.

On behalf and by direction of the Directors.

P. E. THOMAS, President.

Balt. and Ohio Rail Road Com'ny.

*Baltimore, 31st January, 1831.*
