

The Bond was sent on some time since for collection and it is now too late to recall it. If the Board now hold it in possession, they would if not convenient for you to pay it take the stock pledged for its payment, in conformity to their proposition when it was discounted if it was agreeable to you.

The Bond is dated Aug't 13, 1839 ninety days after date and will fall due on the 11th and 14th inst.

I am, very respectfully,

Your obed't serv't,

H. DOYLE.
