

*Amount of excavation in embankment upon ten sections of the northern and southern divisions of said road, as measured by James W. Collins, surveyor and general referree, as follows, to wit:*

Section 1.

8243	Cubic yds. excavation, Northern Division,		
37258	do do borrowed, do		
45501	do do - -	at 25 cts.	\$11,375 25
Section 2, Northern Division.			
13360	Cubic yds. excavation on do	at 25 cts.	3,340 00
Section 3, Northern Division.			
8454	Cubic yds. excavation on do		
258	do do removed, emb. do		
8712	- - -	at 25 cts.	2,178 00
Section 4, N. Division.			
10176	Cubic yds. excavation on do		
261	do do borrowed do		
10437	- - -	at 25 cts.	2,609 25
Section 5, N. Division.			
12507	Cubic yds. excavation on do		
1439	do do borrowed, do		
13946	- - -	at 25 cts.	3,486 50
Section 6, N. Division.			
31927	Cubic yds. excavation, on do	at 25 cts.	7,981 75
Section 7, N. Division.			
4544	Cubic yds. excavation on do	at 26 cts.	1,136 00
Section 8, N. Division.			
15298	Cubic yds. excavation on do		
1796	do do borrowed, do		
17094	- - -	at 25 cts.	4,273 50
Section 13, S. Division.			
20478	Cubic yds. of embankment on do	at 25 cts.	5,119 50
Section 16, S. Division.			
4999	Cubic yds. of embankment on do	at 25 cts.	1,249 75
			\$55,799 86
