 JOHN P. INGLE,

Since preparing the above report, a statement of the debts and credits of the company on the first of March, 1841 has been presented to the committee, from which it would appear, that after making due allowance for the loss which may arise from a sale of the bonds, there is no material difference in the amount of deficiency of means there shown, and that already stated in the report.

Signed,

SAM'L SPRIGG,
 SAM'L MCKENNEY,
 JOHN P. INGLE.

The report was on motion adopted.
