SIR: In answer to your inquiry "as to the cost of the Judiciary system" of this State, I have the honor to state that the amount paid out of the State Treasury, for the support of the Judiciary, during the last fiscal year, was \$25,251.25.

This amount includes only the salaries of the President Judges of Courts of Common Pleas, and those of the Judges of the Supreme Court and Superior Courts. Associate or Probate Judges are paid out of the County Treasuries for the time actually employed by them. Clerks of Courts receive fees alone in remuneration for their services.
