

Statement D shows that the actual cost of placing in London that part of the sterling interest paid by the State for the years mentioned in the 5th interrogatory of the "order," exclusive of the commission paid for disbursement, has been (as shown by the books in this office,) \$117,824 11
 And that during the same time there has been paid as commission, 11,913 94

Together, making the cost of forwarding and disbursing the interest upon the funded sterling debt for the years mentioned, \$129,738 05

In answer to a further order of the House of Delegates, passed the 25th instant, viz :

"Ordered, That the Treasurer be requested to report to this House, in addition to the information required by the order adopted on the 27th of January last, at what time the several debts of this State will respectively fall due, specifying their amounts, and the Acts of Assembly under which they were created, and distinguishing the proportions of said debts held by the sinking fund, whether now due or hereafter to become due," submits Statement E, which will be found to contain the information required by the above.

Very respectfully

Your ob't serv't,

J. S. OWENS,

Treasurer of Md.
