

INTERROGATORIES,

General interrogations propounded by the committee to P. D. Burgee, former cashier of the Farmers and Merchants Bank of Greensborough.

1. When did the Farmers and Merchants Bank of Greensborough go into operation?

2. What was the amount of actual, and what was the amount of nominal capital?

3. How was that capital paid? If not all in specie, state what amount was paid in specie and what amount in other funds, designating the character and kind of such funds?

4. Who were the original owners of the stock? What was the first price, and what is now the value of said stock?

5. Who have been heretofore directors and officers, and who are now directors and officers of said bank, and what amount of stock do the present directors and officers individually hold?

6. What amount of stock of the Farmers and Merchants Bank of Greensborough, or of any other stock has been taken in payment of debts due said bank?

7. What amount of money, if any, is owing said bank by its present directors and officers as drawers, and what amount as endorsers, and also by its former directors as drawers and as endorsers?

8. Have the present directors and officers paid up the amount of stock held by them in full? If not, what amount remains unpaid?

9. Did said directors or officers at the time of the purchase of their stock pay cash for it? If not, state the terms on which said stock was purchased.

10. What amount of money has been loaned by said bank on stock notes?

11. Has said bank paid out any of its notes with an express or implied understanding that such notes were to be put in circulation at different places? If yea, to what amount?

12. Has said bank directly or indirectly purchased at a discount the notes of any other bank, or paid out at their par value such depreciated notes?

13. Has said bank ever paid any bonus to the State? If yea, what amount?

14. Has said bank ever paid anything to the School Fund? If yea, what amount?

15. Was there previous to the issuing of any notes by the
