 Say \$150,000 in 10s and \$50,000 in 5s.

The impressions in our hands (\$105,985,) we hold subject to the order of the Bank;

And remain,

Very respectfully,

Yours, &c.,

DANFORTH, WRIGHT & Co.

[EXHIBIT G.]

NEW YORK, September 20, 1855.

Dr. Henry Roussett,

Dear Sir:—You can doubtless appreciate my situation heretofore after seeing Dr. Goldsborough and Mr. McGonigal—they understand it fully. I shall be on hand on the day I named to them—a week from next Monday—accidents excepted—and the Bank will be put on a footing that you all will be satisfied with.

The Bank note printing account is as follows:

Total amount	\$305.985
Of which there is sealed up and in Dansforth, Withers & Co's. hands	105.985
You have at the Bank	50.000
I have in my possession and control, which I will bring with me	150.000
	<u>\$3059.88</u>

I hope you and the committee will keep things right and quiet until the time named, and you will have no reason to regret or be ashamed of your connection with the Bank. This would have been done long ago but for the reasons named to the committee.

Write me on receipt of this.

Yours truly,

S. WAGGONER.
