Counties.

No Accounts have been settled by the Farmers of these Counties with the Rent Roll Keepers.

The Reason for charging the several Farmers on the Eastern Shore with the annual and additional Debt Books and Arrears, is to let his Lordship see at one View how their several Accounts stand on the Rent-Roll Keepers Books Allowances for sundry of which Charges are to be made by him on Settlers pursuant to the Opinions of his Excellency and the several Gentlemen and by his Lordship's Instruction to examine and answer such Questions as proposed by him, relative thereto, bearing Date December the 20th 1757. In of which, he is ordered to appoint certain Days to meet and settle with the Farmers, which it is expected will be accomplished by the Fall, some home clear, distinct and perfect Accounts of the whole, by the
