

The Deposition of Matthew Tighman of Talbot County Gentleman aged 30 years who being duly & solemnly sworn on the holy Evangel of Almighty God.

To the first Interrogatory saith that he does not know the Libellant that he knows James Mafsey one of the Respondents and has known him about Ten years and that he does not know John Hadley the other Respondent

To the second Interrogatory this Deponent saith that he know John Gibb and had known him about Eight years before his death and believes the said John Gibb died sometime in the year 1747

To the third Interrogatory this Deponent saith that he never saw the said John Gibb sign seal public and declare any writing or Writings purporting his last Will or Wills

To the fourth Interrogatory this Deponent saith that he does not remember that he saw the said John Gibb on or near the twenty sixth day of August in the year 1747 or at any time afterwards nor does he well remember how long but that when he last saw him the said John Gibb appeared to this Deponent to be in his senses

To the fifth Interrogatory this Deponent saith that he never saw the said John Gibb out of his senses

To the sixth Interrogatory this Deponent saith that he does not know

To the seventh Interrogatory this Deponent saith that to the best of his Remembrance he has heard the said John Gibb say that Janet Sleland was Related to him but in what degrees he does not remember
