

several Debt Books that shall be by them annually drawn
and on your being satisfied that they have done their
Duty you are to pay them for their Services after the
Rate of Three per Centum on the net amount of the several
Debt Books, thus passed, or settled, by them respectively.

14th Whereas the Tinner are directed to settle with their
Rent Roll Keepers on or before the first day of February
in every year and account with you for the same, now in case
they shall neglect to come and pay in their respective Ballances
immediately thereafter, you are to call upon them, and if
they refuse to come on such Notice, you are to apply to the
Board for their Bonds and put them into the Attorney Gene-
rals Hands to be sued - They are on Settlement to deliver to
you a fair Debt Book upon Oath having the Tenants Names
with the Names of the Lands they respectively hold, the quantity
of Acres under the different rates of Quit Rents each quantity
are to be entered on distinct Columns and each Rent
computed into their Telling amount thereof to be added
together and the Totals of such Additions where more than
one Parcel of Land is held by the same Owner to be carried
into an extreme Column ^{which extreme Column} will then contain the Gross
Annual Sum in Telling Money. This Entry is to be on
one side of the Book, and the opposite side, is to contain
all the Remarks by the Tinner made during the Year
Collection. Having compared this with the Originals
and delivered to him by the Rent Roll Keeper, and found
it right, you are then to examine the stated account and
drawn up and settled by the Rent Roll Keeper and Tinner
after which if you have no Exceptions to the Allowances
made the Tinner by the Rent Roll Keeper, you are
