fo. 60

Paid out of the said Estate and Really owing by
the Intestate Viz

First That no Negroes or other Slaves shall be sold
or disposed of by any administrator for payment of
debts or otherwise or reserved for the administrators
own use in satisfaction for any debt due to the said
Administrator nor any Execution served upon any
Negroes or other Slaves so long as there shall be other
Goods of the deceased sufficient to satisfy the
Just debts of the deceased that no account be al-
lowed for dyett Cloths Physick or Education against
any Orphan's Estate but that they be provided for
and Educated by the Interest of their Estate and
increase of their Stock according to the proportion
of their Estates if it will bear it but if the Estate be so
meane and Inconsiderable that it will not extend
to a free Education That it is enacted that such Orphans
shall be bound apprentices to some handy Craft
trades or other person at the discretion of the Justices
of the County Court untill one & twenty years of age
except some Kin's man or Relation will maintain
them for the Interest of their own all Estate they have
without diminution of the Principall which whether
greater or small shall always be delivered at the years
by this act appointed

3^d

That all Cattle Horses Sheep be returned in kind by
the Guardians according to the age and number when
as he Received them and because several had be-
fore the making of this Act Estates of Orphans in
their hands which they kept for the small increase
and giving a yearly account of the augmentation or
Diminution of the Orphan's Stocks which by care-
lessness or wickedness of the Guardians was usually
consumed before they came to age and dispute
thereupon arising in the severall Courts how such
Persons should be proceeded with and account
of the Orphan's Estates how to be given them It is
hereby declared that all Persons possessed of Orphan's
Stocks before the making of this Act shall be bound
to
