

(276)
L. W. W.

(that is to say) That the said Lands and Tenements
and the profits thereof be disposed of for the use and
service of a Protestant Minister from time to time to
be amongst the Inhabitants of St Georges and
Poplar hill hundred, such one as the said Inha-
bitants shall allow and approve of for their minister
and teacher according to the true intent and mean-
ing of the said Testator's will and to no other use
whatsoever the Statute of Mortmain or any other
law custom or usage to the contrary thereto in any
ways notwithstanding And whereas Peter
Watts one of the Executors in the said will named
hath taken upon him the burthen of the said Ex-
ecutorship and proved the said will and thereby
possessed himself of the said Robert Rogers perso-
nall Estate Be it Enacted by the authority afore-
said that the said Executor shall from time to
time give an account to the said Mayor Recorder &
Aldermen and Common Councill of the said City and
their Successors of his Executorship and pay and de-
liver in to their hands the Residue of the said
Robert Rogers personall Estate after debts and other
necessary charges are paid and deducted To the
end that the said Mayor Recorder Aldermen &
Common Councill of the said City and their Succes-
sors may use the same disposed of to the uses in-
tents and purposes aforesaid

An Act For limitation of Officers Fees
The Burgesses and Delegates of this present Genll
Assembly taking into their serious consideration
the great complaint made by divers the good people
of this Province of the great extortion and oppression
which is and hath been in this Province (under colour
of office) committed by severall Officers and minis-
ters of this Province and divers of their deputed
ministers servants and officers in exacting unrea-
sonable and excessive fees from the good people of
the same for want of a law to direct, ascertain &
Limitting the just fees belonging to their said sev-
erall Office and Offices their ministers servants &
deputies of the same and for prevention of the like
abuses
