

to, Birds Rowling houses upon shall not lye above-
 two feet longe from the water in any County of this
 Province and That the Surveyors for doing the same
 shall be paid by the County Levy at the discretion
 of The Commissioners.

And forasmuch as it hath been repre-
 sented to this present Generall Assembly that the
 Fort and Town on Beckwith's Island in Pelugent
 River in Saint Maryes County doth not Containe
 one hundred acres of Land and that it hath been
 Laid out and Divided into Lotts leaving a strand
 next the River which proves very incomodious to
 and Disincourages many persons to build and settle
 There.

Be it Enacted that the Commissioners for
 Towns in St. Maryes County shall be and are hereby
 Authorized Impowered and required on or before
 the said first day of September one Thousand
 Seven hundred and Seven again to lay out and divide
 the same Island called Beckwith's Island into
 Lotts Streets Lanes and alleys without any strand
 to be left next the water and that the said Comys-
 sioners or any five of Them shall be and are hereby
 Authorized Impowered and required to lay out so
 much Land on the said Island at such place as in
 Their Discretion they shall think meet and con-
 venient whereon to erect forts and Publick
 Buildings, and The Land that shall remain after
