C H A P. LXXII.

An ACT to confirm the title of the select vestry of Saint-John's parish, in Prince-George's county, in and to three acres of ground in said parish.

Passed December 28.

**W**HEREAS the select vestry of Saint-John's parish, formerly called King George's parish, in Prince-George's county, by their petition to this general assembly, have prayed an act may pass, enabling them to ascertain the bounds of three acres of ground, lying in said parish, whereon the chapel has been erected, and confirming their title to the same: And whereas an act passed at May session, seventeen hundred and forty-four, empowering the vestry of said parish to purchase three acres of ground, to build a chapel of ease thereon; in pursuance thereof, the said vestry did purchase the said quantity of ground, and erect a chapel of ease thereon; and doubts have arisen respecting the title to, and location of, said three acres of land, an act passed at May session, seventeen hundred and forty-eight, empowering the justices of Prince-George's county to cause the said three acres of ground to be laid out by the county surveyor, and to be securely butted and bounded, and valued by a jury, the return of the jury, under their hands and seals, and the hand and seal of the sheriff, together with the surveyor's certificate of survey, to be entered among the records, and also the surveyor's certificate as aforesaid, to be entered in the parish register book; the said survey, valuation and recording, thus made, to vest an absolute estate in fee in three acres of ground aforesaid in the said vestry, and their successors, for the use of the parish: And whereas the said three acres of ground were accordingly laid out, butted and bounded, but from some neglect or accident the certificate of survey and valuation have never been recorded, and the bounds and courses of the said three acres of ground have become doubtful and uncertain, and it seems reasonable to this general assembly that the title should be confirmed in the said land, which has been so long held by a quiet, peaceable, and uninterrupted possession, and the bounds thereof should be established and secured; therefore,
