Passed 6th of  
Jan 1810.

WHEREAS Elizabeth Barnet, of Washington county, by her petition to this general assembly, hath set forth, that she is a widow with nine children, and without the means of support, except from her personal labour, which is arduous and hard, and withal inadequate to the demands of her family, and in addition to her poverty, her situation is rendered more distressing and deplorable, two of her daughters, who are twins, about fifteen years of age, are idiots, and have been so from their infancy, by which misfortune they are debarred from obtaining a livelihood, and must either perish by famine or repair to the poor's house of the said county, where their afflictions and infirmities would be deprived of the attention of a parent, which their unhappy situation requires, and praying that the levy court of Washington county may levy a small sum of money to assist her labours in the support of her numerous family; and the prayer thereof appearing reasonable, therefore,

II. BE IT ENACTED, by the General Assembly of Maryland, That the levy court of Washington county shall be and they are hereby directed and empowered, at their annual levy, to assess and levy, on the assessable property of said county, a sum of money, not exceeding thirty dollars, for the support and maintenance of the said Elizabeth Barnet, and that the same be collected annually by the collector of Washington county, and paid to such person as the levy court of said county shall or may direct.
