## An ACT concerning the amendment of Judicial Proceedings.

Passed 6th of  
Jan. 1810.

BE IT ENACTED, by the General Assembly of Maryland, That the courts of law shall have power to order and allow amendments to be made in all proceedings whatever before verdict, so as to bring the merits of the question between the parties fairly to trial, and if amendment is made after the jury is sworn, a juror shall be withdrawn; and in all cases where amendments are made, the adverse party shall have time to prepare to support his case, but the case shall not be continued to the next term, unless the court shall be satisfied that the same is necessary, and such costs shall be allowed the party against whom such amendment may be made as the court shall think just.

II. AND BE IT ENACTED, That all writs of error wherein there shall be any variance from the original record, or other defect, may be amended, and made agreeable to such record; and that where any verdict shall be given in any action, suit or demand, in any court of record of this state, the judgment thereupon shall not be stayed or reversed for any defect of form or substance in any writ, original or judicial, or for any variance in such writs from the declaration or other proceedings, nor for defects in any count in the declaration, so that there be one good count; and if the court of appeals should be of opinion that there appears to be sufficient matter of substance in the record and proceedings on any appeal or writ of error to enable them to proceed thereon, the same shall not be reversed or dismissed for want of form, and the court may, on motion, permit and direct any entry to be made, or act to be done, by either party, on the trial of any appeal, or during its pendency, which might or could have been done by such party after verdict, in the court from whose judgment such appeal was made, and which in law might have been necessary to give effect and validity to such judgment.

III. AND BE IT ENACTED, That nothing herein contained shall be construed to extend to any criminal process or prosecutions at the suit of the state.

IV. AND BE IT ENACTED, That in all cases where a verdict shall be given in any court of this state, the court before whom such verdict shall be given, shall and they are hereby authorised to enter such judgment upon the verdict as will carry an interest on the same until the payment of the damages assessed by the jury giving such verdict, in the same manner as is now used and practised in the cases of a confession of judgment in said court.

V. AND BE IT ENACTED, That all justices of the peace of this state shall be compelled, upon entering judgments upon cases within their jurisdiction, to enter the same in such manner as shall carry an interest thereon from the date thereof until the same shall be paid or satisfied.
