Preamble.

CHAPTER 38.

An act relative to cases in the Court of Appeals.

Motions or petitions on appeals depending may be considered and acted upon.

Sec. 1. BE IT THEREFORE ENACTED by the General Assembly of Maryland, That the said court of appeals when they shall next meet for the decision of the unfinished business, shall have full power and authority to receive and act upon any motion or petition, which shall be made or presented to them, relative to any of the said appeals which were depending before them at their last session, in the same manner as if such motion had been made, or petition presented, during the said session, and before their adjournment.
