

liott O'Donnell have, by their petition to this general assembly, set forth, that the subjection of their said warehouse, and that of the said Dugan, to the same inspector as one warehouse, under the provisions of said act of assembly, and the supplement thereto, is of serious inconvenience and detriment to them, and also not as beneficial to the public as if the connexion of said warehouse was dissolved; and the said Cumberland Dugan hath by his petition assented thereto: And that from the local situation of their said warehouses, with respect to that of Amos A. Williams and George Williams, which is situated on O'Donnell's or Frederick-street dock aforesaid, and adjoins that of said O'Donnell's, it would be advantageous to the public to leave said Dugan's warehouse as a separate and distinct warehouse for the storage and inspection of tobacco; and to unite that of said O'Donnell's and Williams, so as to make one other warehouse for the storage and inspection of tobacco; and the said Amos A. Williams and George Williams have assented to said arrangement, by uniting in the petition of the said Columbus O'Donnell and Elliott O'Donnell; Therefore,
