

At Nine of the Clock the House met again
Present as yesterday

When moved to the Lower House the Act concerning the repeal
of the Clause of an Act concerning the Secretarys fees of 12 p^{ts} per folio for
the year gone imported

When some a Member of the Lower House presented the Act concern-
ing the repeal of the Clause of an Act concerning the Secretarys
fees for the year gone imported which was written

Upon the representation of this Bill the Lower House upon further
Debate do think it very unreasonable to repeal the Clause or branch
of the Act mentioned in this Bill

W^m Brettan Clerk

When some Mr John Muthall presented this following account

Mr John Muthall humbly desires this account to be allowed viz	
For the Entertainment of twenty two Indians seven	} £ 620
days & more a day apiece at 30 p ^{ts} per Indian	
For the Entertainment of suches Indians seven days at	} 224
two more a day apiece at 30 p ^{ts} per Indian	
	<u>Sum - 680</u>

The Upper House think this is this Act unreasonable
intended that this Act be sent to the Lower House

John Gilling

The Lower House do think that 2000 l^{ts} insufficient for
Mr Muthalls expences for the Accommodation of the Indians &
do consent to allow as much more

W^m Brettan

The Upper House do consent to the same

In the memorable the Upper & Lower Houses of Assembly

the several questions of John Muthall

Answer - That your petitioners Intended by the charge for
maintenance of such Indians of Assembly & Indians staying for the which
they were allowed ten l^{ts} per week with which he is not satisfied he
will receive such Indians more a day at least whereas he would
that in a suitable manner more considerable

will receive more a day at least whereas he would
that in a suitable manner more considerable

intended that the petitioners Intended by the charge for
maintenance of such Indians of Assembly & Indians staying for the which
they were allowed ten l^{ts} per week with which he is not satisfied he
will receive such Indians more a day at least whereas he would
that in a suitable manner more considerable

John Gilling

Upon consideration of this petition answered that from the
Upper House & sent to the Lower House that they
might not be concerned in what the petitioners more than
the maintenance of such

W^m Brettan
