

his pleasure herein to this House

M^r Darnall sent with the message following from the Lower house
viz. This House concurs with the upper house in their Votes as to time &
place & do appoint M^r Robert Caswile M^r Philemon Lloyd M^r Henry
Adams M^r John Vanhook M^r William Stalton & M^r Jesse Wharton
Members of this house to wait on the honourable Chancellor &
the rest of the members to make up a Committee to consider of the
Business above recited

Signed by order Rob^t Ridgley C^lk.

His Excellency doth by Baker Brooke Esq^r signify his pleasure
to the Lower house that the Vote touching the Encouragem^t of persons
Employing the Indians to kill Wolves be recorded in both Houses &
that the Record thereof be a sufficient Licence to any Person to employ
Indians to kill Wolves

Voted by this House that the Lower House be requested to prepare
a Bill Injoining the Repair of the high Ways at M^r Allen's Mill at
the head of Wicocomico to be done at the Equal Charge of both Counties
of St. Marys & Charles County & likewise for a Bridge to be made
over the main Swamps of Saccharia the same being conceived very
convenient for all Persons travelling from the Upper parts of Charles
County to St. Marys but especially for the Sheriff & these Persons
who are commanded by his Lordships Writts to make their Appearance
at the provincial Courts which they are utterly disabled to do upon
any great rains and flooding in the Freshes thereby in the other way

Signed by order Richard Boughton C^lk.

Major Brooke & M^r Caswell sent with the Resolves of the Lower house
as followeth viz.

Resolved that a message be sent to his Excellency & the upper house
to know whether they will consent to the abridgment of the long & tedious
proceedings of the Court of Chancery this house conceiving that the tedious-
ness of proceedings there hath been very prejudicial to many inhabi^t
of this Province that have or may have Business in that Court and
that if his Excellency & the upper house do therein consent that they
would please to signify by a message to this house whether this
house shall offer what is necessary in order to a regulation of the
