Interrogatories for John Shanks to be Examined Touching the Late Expedition against the Susquehannah Indians

1. Whether Major Truman with the forces under his command was at the North side of Piscataway Creek and did there expect and meet of Virginians
2. Whether the said Major consulted with his Officers and those of Virginia afore he held any Discourse or Treaty with those Susquehannah Indians which came out of the fort, also whether it was with the knowledge of any of his Officers that he Treated and endeavoured to make the Susquehannahs Believe he intended no harm or Disturbance to them and what Officers or others he knows were Present when Orders were given by the Major for the Putting those great Men to Death -

3. Whether he knows that at any time the Officers of Virginia did Desire or put Major Truman upon any Design pressing him to Employ his Soldiers about or upon any Service During the Siege and if Major Truman did at any time Execute any thing at their request by receiving Instructions or Directions from them -

4. Whether did Major Truman bid the Susquehannahs not to fear him or tell them that he came only to Seek the Seneca's and that he.
